

## CITY TREASURER ISSUES MORE AUTO LICENSES

The city treasurer's office issued another score of automobile licenses last week. Although the season for registration is far advanced, applicants continue to file into the municipal building with requests for permits. Where no state license number appears in the accompanying list, none has as yet been issued.

More than 2,500 licenses already have been taken out by Pittsburg auto owners.

Small numbers accompanied by a star indicate a one-seated vehicle. The licenses issued were as follows:
