IS YOUR NAME HERE?

Official List of Motor Vehicle Owners or Drivers in Scranton and Dunmore.

CITY WELL REPRESENTED

Commissioner of Highways Joseph W. Hunter has issued pamphlets containing the names of those who have secured licenses to run motor vehicles in this state, and the numbers they will carry.

Up to September 1 there had been issued 12,940 in the state, about 250 being issued in this city and Dunmore. The following list includes not only the names of the owners of machines but the names of chauffeurs or others who have occasion to run machines.

A careful scanning of the list indicates about 140 machine owners in this city.

Mortimer B. Fuller was the second person in the state to secure a license, and twelve were issued for this city during the month of August. Those marked ** are motor-cycles.

There have been many instances lately where people had narrow escapes from being run down, but could not learn who the owners of the machines were, but did see the license number, but could only learn the owner's name by making inquiries at Harrisburg.

This list shows the name of all Scranton parties who own or run motor vehicles:
